Why SafeStops?

- Easy to use
- No personal data collected (other then the quiz name - which isn't saved)
- Created with students in mind
- Helps make safer choices while traveling

Safety Matters

Every day, thousands of students rely on buses, trains, and other forms of transport.
SafeStops provides tools and resources to help you

- Spot risks before they happen.
- Know what to do in unsafe situations
- Build better travel habits.

Why SafeStops Matters

SafeStops isn't just another bus-tracking app, it's designed with **safety, reliability, and community** at its core. Whether you're a student, parent, or daily commuter, SafeStops give you:

- **Peace of Mind:** Know exactly where your bus is at all times
- **Accessibility:** Designed for all users with clear layouts and easy navigation
- **Transparency:** Our Privacy Policy ensures that no unnecessary data is collected
- **Support:** Quick access to our Contact page powered by EmailJS
